3.2 Internal Financial Controls

The internal financial controls operated by Teynham Primary School follow the controls set out in the LA's Scheme for Financing Schools.

3.3 Financial Links to the School Improvement Plan

The School Improvement Plan has sufficient scope and depth of the financial implications and it is reflected in the school's three year budget plan.

3.4 Monitoring and Virements

Teynham Primary School recognises that the regular monitoring of income and expenditure against the agreed budget is central to effective financial management. To this end, the Headteacher carries out a monthly internal monitoring procedure, copied to the Finance Governors. A monitoring report is taken to all Full Governing

Body. Monitoring reports are submitted to the LA in accordance with its timetable. Governors should ensure their meetings are timed to see all monitoring submitted to the LA either prior to submission or soon after. This will ensure they have an up-to-date position of the school's finances.

On occasions, virements need to be carried out. Virements to the approved budget are minuted appropriately and require the following authorisation:

Virements up to £10,000 - The Headteacher, reported to the Chair and Finance Governors

Virements over £10,000 – The Full Governing Body

Where the school purchases large items, we adhere to the procedure for Spending the Council's Money as laid down in the Scheme for Financing Schools (www.kent.gov.uk/publications/business/spending-councils-money.htm), in summary:

- For orders in excess of £8,000, but less than £50,000, three written quotations are obtained and submitted to the Chair and Finance Governors for approval and report to the Full Governing Body .
- For orders in excess of £50,000, no fewer than three competitive tenders are sought and submitted to the Full Governing Body for approval

All of the above will be minuted at Full Governing Body meetings to ensure that the School is seen to be obtaining value for money at all times.
