HEADTEACHER: MRS. E. PEARSON

01 March 2019

Dear Parents and Carers,

Welcome back to Term 4.

Below are a few key dates but please keep checking the calendar on the school website for any further events or details.

Online Safety

Part of our curriculum is teaching children how to keep safe online. It is increasingly difficult for both schools and parents to monitor what children are exposed to. In school we have the strongest filtering systems available and children are always supervised when online. We tell the children that if they see anything that makes them feel uncomfortable or unsafe they must tell an adult. Speaking to a parent recently they alerted me to something that is popping up within a children's You tube video at home. You may want to discuss on line safety with your child at home. There are a number of websites and helpful tips for parents on the school website.

Open evening

These will take place this term a letter will be going out with times this week. If you can't make the times please talk to the class teacher to make another appointment it is important to discuss your child's progress and we do endeavor to see all parents.

World Book Day

Various events will be taking place on that day including the opportunity for children and staff to dress up as a book character.
