

# Term 4 - Up, Up and Away!

## Science:

Seasonal changes: Observe and describe weather associated with the seasons and how day length varies. Pupils should observe and talk about changes in the weather and the seasons. Pupils might work scientifically by: making tables and charts about the weather; and making displays of what happens in the world around them, including day length as the season changes.

## Music

Up, Up and Away music book

## ICT

Beebots for position and direction  
Paint programming

## RE

Salvation: Why does Easter matter to Christians?

To recognise that incarnation and salvation are part of the 'big' story, to tell stories or Holy week and Easter from the Bible, recognise that Jesus gives instructions about how to behave and discuss Jesus death and resurrection in Church.
