HEADTEACHER: MRS. E. PEARSON

03 September 2020

Dear Parent and Carers,

The school's dinner provider has changed to CH&CO. They have a different On line ordering system and new menus. I have attached all the relevant details including a parent guide to registering.

Even if your child has free school meals you will still need to register to make your menu choices. Children in Year R, Year 1 and Year 2 are eligible for universal free school meals. You should be able to place an order without being requested for payment details.

We anticipate that it will take a few weeks for the systems to be put into place so we have told the company that we will still ask children in the morning if they are having a school dinner and what their choice is. Please discuss with your child what they might want.

In yesterday's letter it asked parents to send children in with a packed lunch. I have spoken to the kitchen who **will provide hot dinners Thursday and Friday this week**. On Thursday it will be sausages and mash and on Friday it will be fish and chips.

After that the menu will be week 2 and this can be found on the CH&CO website. The kitchen will not be able to provide packed lunches for the next 2 weeks. After that the full menu will be on offer.

Yours sincerely,

Mrs E Pearson
