

Teynham Primary School

Learn, Enjoy, Grow

Is your child due to start school in September 2021?

Unfortunately, we are unable to show you around our school this year due to COVID-19.

However, we would still like to show you how wonderful Teynham Primary School is.

Why choose Teynham Primary School...

Our Vision

Using our Christian values as the golden thread in all we do, we believe that children have the right to Learn, Enjoy, Grow, developing spiritually and having awe-inspiring learning experiences. Our children learn within a culture of acceptance, build resilience and flourish in unique ways in God and his world.

COOKING

SWIMMING

CHALLENGE DAYS

“The school is a welcoming, calm and caring place where everyone subscribes to the school’s motto of ‘Learn, Enjoy, Grow’. You have created a vibrant environment for learning where pupils are nurtured and thrive.”

-Ofsted 2018

“We are a welcoming, inclusive school and we understand the importance of working in partnership with parents; we encourage parental involvement in children’s learning, as well as fostering opportunities for children themselves to be actively involved in their own learning.”

Mrs E Pearson
Headteacher

SPORTS WEEK

We try a range of different sports during Sports Week. Sports include: Free style football, tennis, archery, mini golf, quidditch, street dance, trampolining + so many more!!

FOREST SCHOOL

“Forest School is an inspirational process, that offers ALL learners regular opportunities to achieve, develop confidence and self-esteem, through hands on learning experiences in a local woodland or natural environment with trees.”

“Through nurturing our children, both academically and spiritually, we aim to provide them with secure foundations for life, so they leave primary school with an excellent all round education and a love of learning.”

-Mrs E Pearson
Headteacher

WELLBEING GARDEN

All of the staff say that they are proud of the school and enjoy working there. A real strength is how well you, all leaders and staff know the pupils. As a result, pupils' personal as well as their academic needs are met extremely well. One parent commented, 'I feel like the school has taken my child's whole well-being as an individual into account and not just scholastic ability.'

-Ofsted 2018

CURRICULUM

We aim to meet the needs of all children in the school by providing a broad and balanced curriculum where all the children can experience success and build upon their strengths.

The National Curriculum gives us the framework of what is to be taught and it is within this framework that we organise our own curriculum. We recognise the importance of English and Maths within the primary school but also feel that children need a more rounded education.

With this in mind, we have adopted a creative approach which is topic based. This encompasses all the foundation subjects and values as well as using English, Maths, Science, Food Tech and ICT to enhance learning, exploring cultural links whenever possible. In addition to this we promote positive emotional health and help children develop social and emotional skills through PSHE.

-Teynham Primary School

Parents and pupils are pleased and enthusiastic about the curriculum you provide. As well as an appropriate focus on basic skills, you ensure that pupils have a wide range of opportunities to learn new skills. Pupils spoke of their enjoyment of cooking and learning in the Forest School. A parent wrote, 'My son is thriving at the school. He particularly enjoys Forest School, which greatly enhances his learning.' The curriculum is broad and balanced and designed to meet the needs as well as the interests of all groups of pupils.
