Dear Parents and Carers,

Firstly, I would like to say how lovely it has been having the children back in school again and being able to see them interact with their class friends again. Everyone has transitioned back to school very well and we are all super excited to start face to face teaching again.

Our topic for this term is 'Jurassic Park'. This means the children will be reading a variety of different fiction and non-fiction books such as 'If I had a dinosaur' by Alex Barrow & Gabby Dawnay, 'How to Grow a Dinosaur' by Caryl Hart and Ed Eaves, and 'Questions and Answers about Dinosaurs' by Katie Daynes. We will be focusing on learning about the different types of dinosaurs, when and where they lived, and what it would be like to have our own pet dinosaur.

To support the children over the next four weeks, our focus in EYFS will be in the areas of communication and language, personal, social and emotional development, and physical development. Wellbeing activities will also continue on a regular basis to further support them in their transition back to full time school.

Below is a reminder of all the information regarding home learning.

## **Home Learning Books**

During this term, home learning books will not be used and instead a home learning sheet was given out in the last home-learning pack you will have received. This contained a grid of activities which your child can select one of each week. An image of the completed activity can then be emailed to Miss Hughes at C.Hughes@teynham.kent.sch.uk. **At current, please do not bring homework into school and only send it via email.**

If you have any questions, please feel free to book an appointment with the class teacher via the office or email at C.Hughes@teynham.kent.sch.uk

Thank you for your continuing support during this time.

Kind Regards,

Miss Hughes, Mrs Sigsworth & Miss Brown.
