

SWALE MARTIAL ARTS CLUB.

ELVERTON FARM ME13 OTN.

Welcome to the new swale martial arts club and hope you like the new place. The building is a barn conversion and everything is new and there are rules I would like everyone to take into consideration.

- There is a no smoking rule anywhere on the farm or in the building.
- The car park is private and all vehicles are left at owners on risk and the swale martial arts club and the farm take no responsibility for any loss or damage to your vehicle.
- All rubbish to put into bins provided and not on the floor.
- The swale martial arts club takes no responsibility to any loss or damage to personal belongings.
- Please be considerate to local residents when arriving and leaving the club. (IE no speeding on and off the site or loud music in your car).
