

Teynham Parochial CEP School

Pupil Premium Planned Statement 2020/21

What is Pupil Premium?

The Pupil Premium is additional funding given to publically funded schools in England to raise the attainment and well-being of disadvantaged pupils and diminish the difference between them and their peers.

Number of pupils and pupil premium grant (PPG) for 2020/21	
Total number of pupils on roll	205
Total number of pupils eligible for PPG	50
Total amount of PPG received	£ 65,925

School context of children in receipt of Pupil Premium

Teynham Primary School has been a school that has grown over recent years and become the destination school of choice in the local area. There are higher numbers of pupils in receipt of Pupil Premium in Key Stage 2 classes than in Key Stage 1. Despite targeting new parents many do not now meet the criteria for pupil premium.

It should be noted that pupils who are allocated Pupil Premium *may* have Special Educational Needs.

	Year R	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
%PP Sept 2020	13%	17%	23%	33%	21%	29%	33%

Pupil Premium children and SEN

- There are 15 Pupil Premium children who are on the SEN register representing 30%
- There are a further 6 Pupil Premium children who are on the Additional Educational Needs school register representing 12%
- 1 Pupil Premium child has an EHCP, representing 2%
- 3 children who are diagnosed with ADHD or autism, representing 6%

Pupil Premium children and attendance

- Overall attendance until 20th March 2020 was 95.67%

Other barriers to learning

In an audit of all Pupil Premium children across the school, the following barriers to learning were identified.

- 5 children have behavioural difficulties representing 10%
- 2 children have issues with confidence or self-esteem representing 4%
- 11 children have attended another school before Teynham representing 22%
- 9 children have speech and language difficulties representing 18%

Using research to inform how we spend the Pupil Premium money

The Education Endowment Foundation (EEF) is an independent grant making charity dedicated to breaking the link between family income and educational achievements, ensuring that children from all backgrounds can fulfil their potential and make the most of their talents. We have used their research on the cost versus impact of different strategies when deciding how to allocate funding:

Strategy	Months+	What we have done
Phonics	+4	Letters and sounds taught every day. Children are in learning groups based on phase. Careful tracking and regular assessments take place.
Reading Comprehension (ERIC) Oral Language intervention evidence based EEF toolkit	+6	Reading comprehension strategies teach pupils a variety of strategies to enable them to understand the meaning of written text – use of vocabulary and language
Social and emotional learning	+4	Jigsaw approach to PSHE taught in all classes. Pastoral Support Team used for social skills and emotional interventions.
Small group interventions	+4	Specific interventions taught by teaching assistants.
One to one tuition	+5	Specialist teacher employed to give one to one tuition to Years 4-6. Precision teaching. Reading volunteers.
Meta-cognition and self-regulation	+8	Growth Mindset is embedded across the school and allows children to plan, monitor, evaluate and analyse their learning and attitude to learning.
Behaviour interventions	+4	Improved playground equipment. More adults on the playground leading specific games.

Early Years intervention	+5	Speech therapist employed one day a fortnight.
Feedback	+5	Streamlined marking code with consistent policy for KS1 and KS2. Developmental marking embedded for next steps or challenge.
Mastery learning	+5	Established mastery in maths through Teach, Practise, Apply method linked to Bloom's Taxonomy. Collaboration with subject leaders in RSCG.
DfE teaching maths in Primary guidance	+4	Resource to summarise the most important knowledge and understanding within each year group and important connections between these mathematical topics.
