

English

Our class novel is 'Freedom' written by the award-winning author, Catherine Johnson. The story is based around an enslaved Jamaican boy who is transported to England where he struggles to gain his freedom. We will be competing comprehension activities including grammar, punctuation and spelling. Each week we will have ten words that the children will be focussing on which share the same sound and spelling pattern. We will be writing for a range of purposes including letter writing, persuasion, diary entries, debates and newspaper reports linking to our topic learning.

Topic

- Compare Africa past and present
- Research the development of the slave trade
- Explore Britain's role in the transatlantic slave trade
- Look at the causes and consequences of the European colonisation of Africa and the worldwide communities that make up the African diaspora

Maths

- Represent, writing and reading numbers to one million. Round numbers to the nearest 10, 100 and 1000
- Compare numbers using < and >
- Explore negative numbers
- Add and subtract with numbers of four digits
- Multiply and divide using formal methods
- Identify prime, square and cube numbers

Year 6 - Maafa

ICT

Staying Safe Online

- Use technology safely, respectfully and responsibly
- Recognise acceptable/unacceptable behaviour and identify a range of ways to report concerns about content

R.E

Understanding Christianity - Creation/Fall

- Identify what type of text some Christians say Genesis 1 is, and
- its purpose.
- Show understanding of why many Christians find science and faith go together.
- Identify key ideas arising from their study of Genesis 1 and comment on how far these are helpful or inspiring, justifying their responses.

Music

Charanga Scheme of work –
Happy

French

Term 1 - Family and Friends
Term 2 - Our School

Art

Study colour theory by studying the colour wheel
Explore mixing tints, shades and tones
Study significant landscape artworks and features of landscapes before using this knowledge to create landscape paintings.

Science

Circulatory Systems

- Transport role of the human circulatory system and its main parts and primary
- Look at healthy lifestyle choices and the effects of harmful substances on the body

P.E.

- Netball & Gymnastics
