

Do you have a passion for reading or a love of books and would like to inspire a whole new generation of young readers? We are looking for a parent volunteer who would like to be involved in our school library as we further develop Accelerated Reader and embed a culture of reading here at Teynham. You would be an integral part of the literacy team, helping to keep our small but well-stocked library, tidy and organised. As new books arrive you would help to label this ensuring each book has a ZPD and if applicable a stage label to enable our readers to identify suitable books for their stage and ability.

We are flexible to the working arrangement but would ideally like someone with the ability to commit to at least one morning or afternoon a week in term time.

We can offer a DBS check, a formal reference recognising your volunteer work, as well as opportunities to join staff CPD, in areas such as literacy, numeracy, well-being and SEND training.

If you are interested in applying for this role, please speak to Mrs Butler, or send an email with a covering letter to office@teynham.kent.sch.uk.
