PRIMARY SCHOOL

Help us!

Currently our school attendance stands at 93.4%

Help us get to our target of 95% and above.

Why?

Under 90% attendance makes it harder for a child to make progress. Above 95% gives them the best chance of making progress.

What if your child is poorly at school?

Looking after your child is very important to us and we will contact you if we feel they should be at home.

**MOMENTS
MATTER,**

**ATTENDANCE
COUNTS.**

8:40 am	Gates open
8:50 am	All pupils to be in class, ready to learn.
8:50-9:10 am	Late recorded as L
After 9:10 am	Late recorded as U

Late arrivals effect your child's attendance level.

10 Top Tips to help you get your child to school on time.

1. Pack school bags the night before school.
2. Check that they have everything they need: books, PE kits etc.
3. Make sure their uniform is ready.
4. Ensure they get to bed on time so they get a good night's sleep.
5. Set an alarm clock to give you all plenty of time to get ready properly for school.
6. Encourage them to eat breakfast.
7. Set off with plenty of time, allowing for traffic if driving or public transport delays.
8. If your child is finding work hard, talk to or email their teacher.
9. If you are unhappy about something that has happened in school, contact the school straight away to try to resolve the problem.
10. Talk to your child about what they did in school today. How was your day? What did you enjoy? What did you play today? etc
