HEADTEACHER: MRS. E. PEARSON

26 May 2025

Dear Parent and Carers,

We have reached the end of Term 5 and yet again it has been packed with all sorts of events and activities. The children and staff are very excited about the move to the new build.

We are in our current building Monday 2nd, Tuesday 3rd, Wednesday 4th June. Then **three days of planned school closure - Thursday 5th, Friday 6th and Monday 9th of June**. You will need to make alternative arrangements on these dates for childcare. These days have been set aside for the movement and transfer into the new build which is being carried out by both internal and external contractors. We will **re-open on Tuesday 10th June** and welcome pupils into our new building, **more details on the arrangements for drop off and collection will follow after the holiday**.

There will also be an opportunity for parents and the local community to look round the building after we have moved in. Date to be confirmed.

On the first 3 days back, we will have limited internet access. Staff will not be able to receive or reply to emails. The office will be able to check the office email. We will also be down to one phone line so please bear with us.

All reading books need to be returned to school on Monday 2nd June so they can be packed.

Sports week – Mrs Thomas and SLT have taken the decision that Sports week will run differently again this year due to the new build and our restricted space and access.

Whilst we will be in our new building the majority of the field will still be out of use due to seeding that needs to happen.

The children will be taking part in a variety of activities during the week. On the Friday they will be taking part in an interschool carousel of activities and some races.

Unfortunately, we are unable to invite parents this year due to the lack of space and access.

On Monday 14th July we would like to invite parents for a Wow walk around the school (2:45-3:15). There will be slide shows in all classes showing pictures and videos of the whole weeks sports activities and children will be able to share the work they have done over the past term.

Some dates for next term. Please check the website for more information.
