1. Aims and objectives

- Our special educational needs and disabilities (SEND) policy aims to:
Make sure our school fully implements national legislation and guidance regarding pupils with SEND.
- We will support and make provision for pupils with special educational needs and disabilities.
- Provide pupils with SEND access to all aspects of school life so they can engage in the activities of the school alongside pupils who do not have SEND.
- Help pupils with SEND fulfil their aspirations and achieve their best.
- Help pupils with SEND become confident individuals living fulfilling lives.
- Communicate with pupils with SEND and their parents or carers and involve them in discussions and decisions about support and provision for the pupil.
- Explain the roles and responsibilities of everyone involved in providing for pupils with SEND.
- Communicate with, and involve, pupils with SEND and their parents or carers in discussions and decisions about support and provision for the pupil.
- Make sure the SEND policy is understood and implemented consistently by all staff

2. Vision and values

We cultivate a rich environment in all we do so that the school community, have the right to Learn, Enjoy, Grow, developing spiritually and having awe-inspiring learning experiences. Our children learn within a culture of acceptance, build resilience and flourish in unique ways, underpinned through the teachings of Jesus, through God and in his world.

3. Legislation and guidance

- This is based on the statutory [Special Educational Needs and Disability \(SEND\) Code of Practice](#) and the following legislation:
- [Part 3 of the Children and Families Act 2014](#), which sets out schools' responsibilities for pupils with SEND
- [The Special Educational Needs and Disability Regulations 2014](#), which set out local authorities' and schools' responsibilities for education, health and care (EHC) plans, SEN co-ordinators (SENCOs) and the special educational needs (SEN) information report
- The [Equality Act 2010](#) (section 20), which sets out the school's duties to make reasonable adjustments for pupils with disabilities

The [Public Sector Equality Duty](#) (section 149 of the Equality Act 2010), which set out the school's responsibilities to eliminate discrimination, harassment and victimisation; and advance equality of opportunity and foster good relations between people who share a protected characteristic (which includes having a disability) and those who don't share it

- The [Governance Handbook](#), which sets out governors' responsibilities for pupils with SEND
- The [School Admissions Code](#), which sets out the school's obligation to admit all pupils whose education, health and care (EHC) plan names the school, and its duty not to disadvantage unfairly children with a disability or with special educational needs

4. Inclusion and equal opportunities

At our school we strive to create an inclusive teaching environment that offers all pupils, no matter their needs and abilities, a broad, balanced and challenging curriculum. We are committed to offering all pupils the chance to thrive and fulfil their aspirations.

We will achieve this by making reasonable adjustments to teaching, the curriculum and the school environment to make sure that pupils with SEND are included in all aspects of school life.

5. Definitions

5.1 Special educational needs

A pupil has SEN if they have a learning difficulty or disability that requires special educational provision to be made for them.

They have a **learning difficulty or disability** if they have:

- A significantly greater difficulty in learning than most others of the same age, or
- A disability which prevents or hinders them from making use of facilities of a kind generally provided for others of the same age in mainstream schools

Special educational provision is educational or training provision that is additional to, or different from, that made generally for other children or young people of the same age by mainstream schools.

5.2 Disability

Pupils are considered to have a **disability** if they have a physical or mental impairment that has a substantial and long-term adverse effect on their ability to do normal daily activities.

The school will make reasonable adjustments for pupils with disabilities, so that they are not at a substantial disadvantage compared with their peers.

5.3 The 4 areas of need

The needs of pupils with SEND are grouped into 4 broad areas. Pupils can have needs that cut across more than 1 area, and their needs may change over time.

Interventions will be selected that are appropriate for the pupil's particular area(s) of need, at the relevant time.

AREA OF NEED	
Communication and interaction	Pupils with needs in this area have difficulty communicating with others. They may have difficulty understanding what is being said to them, have trouble expressing themselves, or do not understand or use the social rules of communication. Pupils who are on the autism spectrum often have needs that fall in this category.
Cognition and learning	Pupils with learning difficulties usually learn at a slower pace than their peers. A wide range of needs are grouped in this area, including: • Specific learning difficulties, which impact 1 or more specific aspects of learning, such as: dyslexia, dyscalculia and dyspraxia • Moderate learning difficulties • Severe learning difficulties • Profound and multiple learning difficulties, which is where pupils are likely to have severe and complex learning difficulties as well as a physical disability or sensory impairment

AREA OF NEED	
Social, emotional and mental health	These needs may reflect a wide range of underlying difficulties or disorders. Pupils may have: • Mental health difficulties such as anxiety, depression or an eating disorder • Attention deficit disorder, attention deficit hyperactive disorder or attachment disorder • Suffered adverse childhood experiences These needs can manifest in many ways, for example as challenging, disruptive or disturbing behaviour, or by the pupil becoming withdrawn or isolated.
Sensory and/or physical	Pupils with these needs have a disability that hinders them from accessing the educational facilities generally provided. Pupils may have: • A sensory impairment such as vision impairment, hearing impairment or multi-sensory impairment • A physical impairment These pupils may need ongoing additional support and equipment to access all the opportunities available to their peers.

6. Roles and responsibilities

6.1 The SENCO

The SENCO at our school is Mrs Emma Butler, who is a qualified teacher designated safeguarding leader and a member of the Senior Leadership Team. Mrs Butler has completed the National Award for SEN Co-ordination. Mrs Butler works on Tuesday, Wednesday and Thursday, on a Monday she works on a flexi basis from home, she can be contacted on 01795 521217 or via email at: senco@teynham.kent.sch.uk.

They will:

- Inform any parents that their child may have SEN and then liaise with them about the pupil's needs and any provision made

- Work with the headteacher and SEN governor to determine the strategic development of the SEND policy and provision in the school
- Have day-to-day responsibility for the operation of this SEND policy and the co-ordination of specific provision made to support individual pupils with SEN, including those who have EHC plans
- Provide professional guidance to colleagues and liaise and work with staff, parents, and other agencies to make sure that pupils with SEN receive appropriate support and high-quality teaching
- Advise on the graduated approach to providing SEN support and differentiated teaching methods appropriate for individual pupils
- Advise on the deployment of the school's delegated budget and other resources to meet pupils' needs effectively
- Be a point of contact for external agencies, especially the local authority (LA) and its support services, and work with external agencies to ensure that appropriate provision is provided
- Liaise with potential next providers of education to make sure that the pupil and their parents are informed about options and that a smooth transition is planned
- When a pupil moves to a different school or institution: Make sure that all relevant information about a pupil's SEN and the provision for them are sent to the appropriate authority, school or institution in a timely manner
- Work with the headteacher and school governors to make sure the school meets its responsibilities under the Equality Act 2010 with regard to reasonable adjustments and access arrangements
- Make sure the school keeps its records of all pupils with SEND up to date and accurate
- With the headteacher, monitor to identify any staff who have specific training needs regarding SEN, and incorporate this into the school's plan for continuous professional development
- With the headteacher, regularly review and evaluate the breadth and impact of the SEND support the school offers or can access, and co-operate with the LA in reviewing the provision that is available locally and in developing the local offer
- Prepare and review information for inclusion in the school's SEN information report and any updates to this policy
- With the headteacher and teaching staff, identify any patterns in the school's identification of SEN, both within the school and in comparison with national data, and use these to reflect on and reinforce the quality of teaching

6.2 The governing board

The governing board is responsible for making sure the following duties are carried out, though the duties can be delegated to a committee or an individual:

- Co-operate with the LA in reviewing the provision that is available locally and developing the local offer
- Do all it can to make sure that every pupil with SEND gets the support they need
- Make sure that pupils with SEND engage in the activities of the school alongside pupils who don't have SEND
- Make sure that the school has arrangements in place to support any pupils with medical conditions
- Have a clear approach to identifying and responding to SEND
- Record accurately and keep up to date the provision made for pupils with SEND
- Publish information on the school website about how the school is implementing its SEND policy, in a SEN information report
- Publish information about the arrangements for the admission of disabled children, the steps taken to prevent disabled children being treated less favourably than others, the facilities provided to assist access of disabled children, and the school's accessibility plans
- Make sure that there is a qualified teacher designated as SENCO for the school and that the key responsibilities of the role are set out, and monitor the effectiveness of how these are carried out

6.3 The SEND link governor

The SEND link governor is Miranda Stratton she can be contacted on m.stratton@teynham.kent.sch.uk

The SEND governor will:

- Help to raise awareness of SEND issues at governing board meetings
- Monitor the quality and effectiveness of SEND provision within the school and update the governing board on this
- Work with the headteacher and SENCO to determine the strategic development of the SEND policy and provision in the school

6.4 The headteacher

- The headteacher will:

- Work with the SENCO and SEND link governor to determine the strategic development of the SEND policy and provision within the school
- Work with the SENCO and school governors to make sure the school meets its responsibilities under the Equality Act 2010 with regard to reasonable adjustments and access arrangements
- Have overall responsibility for, and awareness of, the provision for pupils with SEND, and their progress
- Have responsibility for monitoring the school's notional SEND budget and any additional funding allocated by the LA to support individual pupils
- Make sure that the SENCO has enough time to carry out their duties
- Have an overview of the needs of the current cohort of pupils on the SEND register
- Alongside the SENCO the Headteacher will advise the LA when a pupil needs an EHC needs assessment, or when an EHC plan needs an early review
- With the SENCO, monitor to identify any staff who have specific training needs regarding SEN, and incorporate this into the school's plan for continuous professional development
- With the SENCO, regularly review and evaluate the breadth and impact of the SEND support the school offers or can access, and co-operate with the LA in reviewing the provision that is available locally and in developing the local offer
- With the SENCO and teaching staff, identify any patterns in the school's identification of SEN, both within the school and in comparison with national data, and use these to reflect on and reinforce the quality of teaching

6.5 Class teachers

Each class teacher is responsible for:

- Planning and providing high-quality teaching that is differentiated to meet pupil needs through a graduated approach
- The progress and development of every pupil in their class
- Working closely with any teaching assistants or specialist staff to plan and assess the impact of support and interventions, and consider how they can be linked to classroom teaching
- Working with the SENCO to review each pupil's progress and development, and decide on any changes to provision
- Ensuring they follow this SEND policy and the SEN information report

- Communicating with parents regularly to:
 - Set clear outcomes and review progress towards them
 - Discuss the activities and support that will help achieve the set outcomes
 - Identify the responsibilities of the parent, the pupil and the school
 - Listen to the parents' concerns and agree their aspirations for the pupil

6.6 Parents or carers

Parents or carers should inform the school if they have any concerns about their child's progress or development.

Parents or carers of a pupil on the SEND register will always be given the opportunity to provide information and express their views about the pupil's SEND and the support provided. They will be invited to participate in discussions and decisions about this support. They will be:

- Invited to termly meetings to review the provision that is in place for their child
- Asked to provide information about the impact of SEN support outside school and any changes in the pupil's needs
- Given the opportunity to share their concerns and, with school staff, agree their aspirations for the pupil
- Given an annual report on the pupil's progress

The school will take into account the views of the parent or carer in any decisions made about the pupil.

6.7 The pupil

Pupils will always be given the opportunity to provide information and express their views about their SEND and the support provided. They will be invited to participate in discussions and decisions about this support. This might involve the pupil:

- Explaining what their strengths and difficulties are
- Contributing to setting targets or outcomes
- Attending review meetings
- Giving feedback on the effectiveness of interventions

The pupil's views will be taken into account in making decisions that affect them, whenever possible.

7. SEN information report

The school publishes a SEN information report on its website, which sets out how this policy is implemented in the school.

The information report will be updated annually and as soon as possible after any changes to the information it contains.

8. Our approach to SEND support

8.1 Identifying pupils with SEND and assessing their needs

At Teynham we monitor the progress of all pupils at least three times a year to review their academic progress. We also use a range of assessments with all the pupils at various points throughout the school, and formal assessment on pupil progress is carried out in Reading, Writing and Maths and at the end of each Key Stage 2. Baseline assessment is carried out in EYFS and Phonics screening check in Year 1.

We will assess each pupil's current skills and levels of attainment when they start at the school. This will build on information from previous settings and Key Stages, where appropriate. We will also consider any evidence that the pupil may have a disability and if so, what reasonable adjustments the school may need to make.

Class teachers will regularly assess the progress of all pupils and identify any whose progress:

- Is significantly slower than that of their peers starting from the same baseline
- Fails to match or better their previous rate of progress
- Fails to close the attainment gap between them and their peers
- Widens the attainment gap

This may include progress in areas other than attainment, for example, wider development or social needs.

When teachers identify an area where a pupil is making slow progress, they will target the pupil's area of weakness with differentiated, high-quality teaching. If progress does not improve, the teacher will raise the issue with the SENCO to have an initial discussion about whether this lack of progress may be due to a special educational need. Where necessary they will, in consultation with the pupil's parents or carers, consider consulting an external specialist.

Slow progress and low attainment will not automatically mean a pupil is recorded as having SEN.

Potential short-term causes of impact on behaviour or performance will be considered, such as bullying or bereavement. Staff will also take particular care in identifying and assessing SEN for pupils whose first language is not English.

When deciding whether the pupil needs special educational provision, we will start with the desired outcomes, including the expected progress and attainment, and the views and the wishes of the pupil and their parents. We will use this to determine the support that is needed and whether we can provide it by adapting our core offer, or whether something different or additional is needed.

If a pupil is joining the school, and:

- Their previous setting has already identified that they have SEN
- They are known to external agencies
- They have an education, health and care plan (EHCP)

then the school will work in a multi-agency way to make sure we get relevant information before the pupil starts at school, so support can be put in place as early as possible.

8.2 Consulting and involving pupils and parents

The school will put the pupil and their parents at the heart of all decisions made about special educational provision.

When we are aiming to identify whether a pupil needs special education provision, we will have an early discussion with the pupil and their parents. These conversations will make sure that:

- Everyone develops a good understanding of the pupil's areas of strength and difficulty
- We take into account any concerns the parents have
- Everyone understands the agreed outcomes sought for the child
- Everyone is clear on what the next steps are

Notes of these early discussions will be added to the pupil's record and given to their parents.

We will formally notify parents if it is decided that a pupil will receive special educational provision.

8.3 The graduated approach to SEN support

Once a pupil has been identified as having SEN, we will take action to remove any barriers to learning, and put effective special educational provision in place. This support will be delivered through successive rounds of a 4-part cycle known as the graduated approach.

1. Assess

The pupil's class teacher and the SENCO will carry out a clear analysis of the pupil's needs. The views of the pupil and their parents will be taken into account. The school may also seek advice from external support services.

The assessment will be reviewed regularly to help make sure that the support in place is matched to the pupil's need. For many pupils, the most reliable way to identify needs is to observe the way they respond to an intervention.

2. Plan

In consultation with the parents and the pupil, the teacher and the SENCO will decide which adjustments, interventions and support will be put into place, the expected outcomes, and a clear date for review.

All staff who work with the pupil will be made aware of the pupil's needs, the outcomes sought, the support provided and any teaching strategies or approaches that are needed. This information will be recorded on our management information system, SIMS and will be made accessible to staff in a through provision maps and if necessary a personalized plan

Parents will be fully aware of the planned support and interventions, and may be asked to reinforce or contribute to progress at home.

3. Do

The pupil's class or subject teacher retains overall responsibility for their progress.

Where the plan involves group or 1-to-1 teaching away from the main class or subject teacher, they still retain responsibility for the pupil. They will work closely with any teaching assistants or specialist staff involved, to plan and assess the impact of support and interventions and how they can be linked to classroom teaching.

The SENCO will support the teacher in further assessing the pupil's particular strengths and weaknesses, in problem solving and advising on how to implement support effectively.

4. Review

The effectiveness of the support and interventions and their impact on the pupil's progress will be reviewed in line with the agreed date.

We will evaluate the impact and quality of the support and interventions. This evaluation will be based on:

- The views of the parents and pupils
- The level of progress the pupil has made towards their outcomes
- The views of teaching staff who work with the pupil

The teacher and the SENCO will revise the outcomes and support in light of the pupil's progress and development, and in consultation with the pupil and their parents.

8.4 Levels of support

School-based SEN provision

Pupils receiving SEN provision will be placed on the school's SEND register. These pupils have needs that can be met by the school through the graduated approach. Where the pupil's needs cannot be adequately met with in-house expertise, staff will consider involving an external specialist as soon as possible.

The provision for these pupils is funded through the school's notional SEND budget. On the census these pupils will be marked with the code K.

Education, health and care (EHC) plan

Pupils who need more support than is available through the school's school-based SEN provision may be entitled to an EHC plan. The plan is a legal document that describes the needs of the pupil, the provision that will be put in place, and the outcomes sought.

The provision for these pupils will be funded from the school's notional SEND budget, and potentially from the LA (from the high-level needs funding block of the dedicated schools grant).

On the census these pupils will be marked with the code E.

8.5 Evaluating the effectiveness of SEN provision

We evaluate the effectiveness of provision for pupils with SEN by:

- Tracking pupils' progress, including by using provision maps and at Pupil Progress Meetings
- Carrying out the review stage of the graduated approach in every cycle of SEN support
- Using pupil questionnaires
- Monitoring by the SENCO
- Holding annual reviews for pupils with EHC plans
- Getting feedback from the pupil and their parents

9. Expertise and training of staff

Training will regularly be provided to teaching and support staff. The headteacher and the SENCO will continuously monitor to identify any staff who have specific training needs and will incorporate this into the school's plan for continuous professional development. Where necessary teaching and support staff will undertake further training to support the needs of our pupils as they arise. Training may require staff to be out of school to attend in person or may be conducted as twilight or online sessions.

10. Links with external professional agencies

The school recognises that it won't be able to meet all the needs of every pupil. We have access to external advisors (some of these services have costs attached) who are able to use a range of suitable assessment tools, dependent on the needs of the child. Whenever necessary the school will work with external support services such as those listed below:

- Educational Psychologist through KCC
- STLS (Specialist Teaching and Learning Service)
- CYPMHS (Pupil and Young People's Mental Health Service) through NELFT for referrals for emotional wellbeing/mental health advice and support:
- <https://www.nelft.nhs.uk/kent-cypmhs-get-in-touch>
- School Health Service
- Young Healthy Minds
- Young Carers
- Early Help
- Edify
- Paediatric Consultants – Medway Community or East Kent – dependent on home location
- Pupils Therapy Team (Speech and Language/Occupational Therapy)
- Outreach Services – Meadowfield School
- Speech4Schools (Private Speech and Language Therapist)
- Social Services
- HI or VI Team

11. Admission and accessibility arrangements

The Governing Body of Teynham Parochial CEP School applies the regulations on admissions fairly and equally to all those who wish to attend this school. The school follows the Kent Admissions procedures.

We are a school that promotes a Christian ethos, we are an inclusive school that welcomes children from all backgrounds and abilities. The only restriction we place on entry is that of number. If the number of children applying for entry exceeds the places available, the LA will enforce the procedure set out below in order to determine whether a child is accepted or not. It is the LA's wish to allow parents the right to have a place at the school of their choice. However, this is not always possible, due to the excessive demand on the school places available.

1. Looked after children – **A looked after child is a child who is a) in the care of the local authority, or b) being provided with accommodation by a local authority in exercise of their social services functions.**
2. Current family association e.g. elder brother/sister at School
3. Health and special access reasons (for which a medical certificate may be needed)
4. Nearness of a child's home and ease of access to School

11.1 Admission arrangements

At Teynham we work closely with the educational settings used by the pupils before they transfer to us in order to seek the information that will make the transfer as seamless as possible.

Nursery – Year R

- Information is received from a number of sources when pupil transfer to our school from an Early Years Setting.
- A new intake meeting is held for new Year R parents in Term 6 of the academic year prior to the pupil joining the school in September.
- The Reception teacher meets with Nursery staff (from our main feeder nursery or where a nursery has requested an observation) during the summer term prior to the pupil joining us at the beginning of the next academic year. Where a child has been identified as having SEN, the SENCo attends these meetings to discuss the child's needs, current provision and future plans. Transition meetings will also be arranged with the Specialist Teaching and Learning Service, SENCo, Class Teacher and Parents where appropriate. Further meetings are arranged with other professionals involved when required.
- A short-term phased placement is used to introduce the new Year R pupil to school life in September.
- A transition booklet or social story will be devised if an individual requires this.

Internal transition between year groups

- Change up Day arranged for all pupil to meet their new teacher, teaching assistant and to see their new classroom.

- A pupil progress transition meeting is held between all year groups at the end of Term 6 so that information about the classes can be shared with those staff who will be receiving the class in the September of the following academic year. The intention behind this is to enable smooth transitions between all year groups and classes in the school.
- A transition booklet or social story will be devised if an individual requires this support as well as additional visits to their new classroom to meet their teacher should it be felt to be necessary.
- For pupils joining Teynham from another school, a member of the senior leadership team will contact the child's current school to prepare for their arrival. If appropriate, a member of the senior leadership team will meet with parents prior to the move.

We also contribute information to a pupils' onward destination by providing information to the next setting.

Year 5 pupil's with an EHCP

- Parents and pupil to begin looking at secondary provision.
- Parents will be contacted by KCC to provide their choices for secondary schools (they do not apply in the same way as pupil without an EHCP).
- The secondary school will be named in February. Parents have the right to appeal the decision. IASK will be able to provide further information and support.

Year 6 – Year 7

- All secondary schools are invited into school to meet with the pupil and staff to share information.
- Additional visits or transition meetings will be arranged with the SENCO if they are felt to be necessary for the pupil.
- The Year 6 teacher will complete transition forms which are requested by the secondary schools giving key information about the pupil, along with the SENCo if SEN has been identified.
- All year 6 pupil participate in transition visits to their secondary schools which are intended to help the pupil prepare for the move to year 7 in September.
- A transition booklet or social story will be devised if an individual requires this support as well as additional visits to their new school should it be felt to be necessary.
- A transition intervention will be put in place if required.
- Further information about transition and a Secondary School Admission booklet can be found on the KCC website.

- Where pupils with an EHC plan names Teynham as their school placement, they will be admitted before any other places are allocated.

11.2 Accessibility arrangements

Teynham Parochial CEP School is committed to providing an environment that enables full curriculum access that values and includes all pupils, staff, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to taking positive action in the spirit of the Equality Act 2010 with regard to disability and to developing a culture of inclusion, support and awareness within the school.

- All clubs, trips and activities offered to pupils at Teynham are available to pupils with special educational needs either with or without an Education, Health and Care Plan. Where it is necessary, the school will use the resources available to it to provide additional adult support to enable the safe participation of the pupil in the activity
- School will risk assess pupils who have special educational needs before they go on a school trip to ensure that any additional support can be identified, confirmed and provided, seeking specialist advice where necessary to ensure full compliancy with current legislation.
- The school will make every effort to ensure that all reasonable adjustments are made to enable all pupils, regardless of need, access the full range of activities and trips on offer.
- The current school building is on one level with a disabled toilet and changing facility. It has direct access to level playing fields and playgrounds. The Well-Being Garden and Forest School are both accessible being built and designed step free.
- The Accessibility plan is available online on the school website, and paper copies are available upon request
- The new school building is currently under construction, this is being to current DDA compliant specifications meaning that in the future Teynham will be accessible to all regardless of disability.

12. Complaints about SEND provision

Formal complaints about SEND provision in our school should be made to the class teacher, SENCO or Head Teacher in the first instance. They will be handled in line

with the school's complaints policy which can be found on the school website under Policies. We will try to resolve the complaint informally in the first instance.

If the parent or carer is not satisfied with the school's response, they can escalate the complaint. In some circumstances, this right also applies to the pupil themselves.

To see a full explanation of suitable avenues for complaint, see pages 246 and 247 of the [SEN Code of Practice](#).

To find out about disagreement resolution and mediation services in our local area, [Mediation and Resolution - KELS](#) You can request mediation by contacting your local SEN officer.

How the governing body involves other bodies, including health and social services bodies, local authority support services and voluntary organisations, in meeting the needs of pupils with special educational needs and in supporting the families of such pupils

The governing body have engaged with the following bodies:-

- Free membership of LIFT for access to specialist teaching and learning service
- Access to local authority's service level agreement with Speech and Language Therapy Services / Occupational Therapy Services / Physiotherapy Services for pupil with requirement for direct therapy or advice
- Early Help and NELFT
- Outreach Services: Meadowfield
- Ability to make ad hoc requests from School Health Service
- Member of Rural Swale Consortium – regular SENCO liaison meetings
- Membership of the SENCO forum – regular SENCO liaison meetings

13. Monitoring and evaluation arrangements

13.1 Evaluating the effectiveness of the policy

We are constantly looking for ways to improve our SEND policy. We will do this by evaluating whether or not we are meeting our objectives set out in section 1.

We will evaluate how effective our SEND provision is with regards to:

- All staff's awareness of pupils with SEND at the start of the autumn term, supported by rigorous and robust handover meetings and the sharing of pupil information.
- How early pupils are identified as having SEND

- Pupils' progress and attainment once they have been identified as having SEND
- Whether pupils with SEND feel safe, valued and included in the school community
- Comments and feedback from pupils and their parents

13.2 Monitoring the policy

This policy will be reviewed by the SENCO and SEN Governor **every year**. It will also be updated when any new legislation, requirements or changes in procedure occur during the year.

It will be approved by the full governing board.

14. Links with other policies and documents

This policy links to the following documents:

- SEN information report
- The local offer
- Accessibility plan
- Equality information and objectives
- Attendance policy
- Safeguarding / child protection policy
- Behaviour Policy
- Health and Safety Policy
- Inclusion Policy
- Admissions, Assessment Policy
- Collective Worship Policy
- Transition Policy
- Supporting Pupils at School with Medical Conditions
- Safeguarding Procedures Managing Allegations in School
- Complaints Policy
- School Improvement Plan.

This policy is written in line with the requirements of:

- Pupil and Families Act 2014
- SEN Code of Practice 2015
- SI 2014 1530 Special Educational Needs and Disability Regulations 2014
- Part 3 Duties on Schools – Special Educational Needs Co-ordinators

- Schedule 1 regulation 51– Information to be included in the SEN information report
- Schedule 2 regulation 53 – Information to be published by a local authority in its local offer
- Equality Act 2010
- Schools Admissions Code, DfE 1 Feb 2012
- SI 2012 1124 The School Information (England) (Amendment) Regulations 2012
- SI 2013 758 The School Information (England) (Amendment) Regulations 2013

This policy has been developed with the engagement and participation process that involved parents/carers, representatives from the governing body and parent teachers association and parents of pupil with special educational needs and will be reviewed annually.
